

» The right spreader for any application with any machine «

Trust and reliability

ELME's innovative modular spreader concept combined with design simplicity and market feedback is all characteristic of ELME. Our spreaders are supplied to lift trucks, reach stackers, straddle carriers, gantry, quayside and ship-to-shore container cranes worldwide.

ELME is well known for our historically reliable container solutions. Trust and reliability have made us the largest independent spreader manufacturer in the world. We simply offer the right spreader, for all applications, with any machine.
